
Title: Ye old Witchery

Author: Melisane

Ancient chant to the
moon.

~~~~~  
Moon woman old and  
wise,  
Hair of silver,  
pale gray eyes,  
She rises high  
above the night,  
Spinning spider silk  
of light,  
Shining like a beacon  
bright,  
To light the way for  
fairies flight.

Apple Enchantment

~~~~~  
Pick your apple when
the moon has waned
three days, Breath
upon it's green cheek
and rub it with a
scarlet cloth saying,
"Fire sweet
And fire red
Warm the heart
And turn the head"

Kiss the red half and
put it in anothers
hand. Who holds it
shall weaken, Who
eats it shall be yours.
Finding your Love

~~~~~  
Ye will need one red  
candle and an incense  
mixture of:  
2 ounces violets  
2 ounces orris root  
1 ounce lovage  
1/2 ounce roseleaf  
1 ounce rosemary  
1/2 ounce rosepetal  
1 ounce tonka bean  
1/2 ounce lemon leaf

You will then need to  
bind some  
yarrow in a red  
flannel pouch.  
Burn the incense and  
candle when the moon  
is full on Friday and  
chant

"Thou who art herb of  
venus tree,  
Whose truest  
name is yarrow,  
Now who is my true  
love to be,  
Pray tell me on the  
morrow."

Put the pouch of  
yarrow beneath your  
pillow and you shall  
dream of your true  
love.

Properties of Metal

~~~~~  
Gold-energy and
general success

Silver-Intuitiveness
and magical ability

Copper-success in love

Brass or fixed
mercury-mental
agility

Tin-expansiveness
and generosity
Iron-courage and
aggressive instincts

Lead-stability
Wheel of the Year

March 20-23 (First
day of spring)
Beltane - May 1st

Summer Solstice
June 20-23 (First
day of summer)

Lammas - August 1st

Autumnal Equinox
Sept. 20-23 (First
day of fall)

Samhain - Oct. 31st

Winter Solstice
Dec. 20-23 (First
day of winter)
By all the powers of
three times three,
this book I bind with
the oak tree,
So that it harm
none and none harm
me,
As I have will
so must it be!
